

Green Tape Peel Painting!

You will need:

Paint of your choice, paintbrushes, green tape, thick paper (card stock, canvas etc) and a pallet for your paint

Step 1:

Lay out green tape along your paper to create a design with different sections for you to paint in

Step 2:

Take your paint and paint each section different colours!

Step 3:

Once you have finished painting all of the sections, slowly peel off the tape

Step 4:

Now that all of the tape has been peeled, off, feel free to decorate the blank spaces between the painted sections however you want!
